SUPPORT JOYFUL STUDENTS & SCHOOLS!

The Oakland Public Education Fund leads the development of community resources in Oakland public schools so that all students can learn, grow, and thrive. We have helped raise over \$200M for Oakland kids, placed 10,000 volunteers in local classrooms, and fiscally sponsored more than 150 education-related projects. Your partnership is an investment in our programs like A to Z Fund, which provides grants to teachers for classroom programming, arts and music education, and professional development.
